Bottoms Up: Heaven On Her Lips

Posted by [Kelly DiNardo](#) on [August 22, 2013](#)

Sometimes life calls for a cocktail — and here at CityEats, we're especially fond of celebrating Thirsty Thursdays. While you can't go wrong with a simple vodka and soda, there are times when you want to really shake things up. We turn to area restaurants and bars for inspiration. This week, mix up a Heaven on Her Lips from Boston's [Tavern Road](#) restaurant.

Heaven On Her Lips

Ingredients

- 2 oz Citadelle Gin
- ¾ oz Lime juice
- ¾ oz Simple Syrup
- 1 Strawberry
- 5 Basil leaves

Directions

1. Muddle strawberry in simple syrup.
2. Add basil, remaining ingredients, ice and shake for 7-8 seconds.
3. Double strain using fine strainer into a cocktail glass.
4. Garnish with fresh basil on lip of glass and serve.
